DEPT. OF THE ARMY BPA  
[\(W81K00-17-A-0012\)](#)

## Capability Statement

[www.redonemedical.com](http://www.redonemedical.com)

**Red One Medical** connects leading medical device companies with the federal marketplace. Red One is a turn key medical device and biologics reseller and exclusive distributor of several major brands. We provide government agencies with top tier medical products and services through our extensive partnership network. We work with key federal decision makers, doctors, surgeons and medical device manufacturers. Our founders, who have leadership experience in the military, government and corporate world help qualified medical device companies navigate the government space. Our goal is to provide best in class medical devices to America's military servicemembers and veterans.
